Canine Good Citizen Testing

To be held each day beginning at 11:00 am

\$5.00

The purpose of the Canine Good Citizen Test is to ensure that our favorite companion, the dog, can be a respected member of the community. Dogs become respected members of their communities when they are trained to act mannerly in the home, in public places, and in the presence of other dogs. All dogs, including purebreds and mixed breeds are embraced by and welcomed in the Canine Good Citizen program.

Responsible Owner's Pledge

At check-in, before beginning Item 1, the handler will be required to sign the Responsible Dog Owner's Pledge indicating that the dog has a veterinarian who provides guidance, care, and recommendations on routine health matters such as rabies vaccines, etc.

Is your dog ready?

Dogs should wear well-fitting buckle or slip collars made of leather, fabric, or chain. Special training collars, such as pinch collars or head collars, are not acceptable. The leash should be made of either leather or fabric.

The evaluator will supply a leash or cord of 20-feet (or 15-feet attached to your leash) for item 6. Owners should bring a brush to the test for the grooming exercise.

To pass the CGC test, your dog must pass all 10 items of the test. You will be allowed to talk to your dog during testing and you may offer praise and encouragement. Food can not be used as a reward during testing.

The Test Items

- Item 1: Accepting A Friendly Stranger
- Item 2: Sitting Politely for Petting
